### NOTE:

Technical and financial offers must be put in different envelopes, all sealed in another envelope.

NPO will open the financial offer for only bidders who will be technically qualified for the assignment

The formula for determining the financial scores is the following:

$S_f = 100 \times F_m / F$ , in which  $S_f$  is the financial score,  $F_m$  is the lowest price and  $F$  the price of the proposal under consideration.

The weights given to the technical and Financial Proposals are:

T= 0.7, and F= 0.3
